

EXECUTIVE ONE-PAGER

The Shopify of AI agents — first to market

License the marketplace operating system: browse, configure, Actions, embed, meter — with **500 regional agents, 8,500+ evals, and Trust Center** ready for your rails. Category ownership beats rebuilding from scratch.

\$200k / year · 500 agents

~\$400 / agent / year

\$30k / mo support

01 Why the license is justified

CATEGORY

Shopify of agents

Marketplace OS + catalogue IP — not a thin chatbot wrapper.

DEPTH × BREADTH

100 × 5 = 500

19 industries · ~1,900 tools · 10 multi-step workflows · 5 regions.

QUALITY IP

3,566 evals

Grounding, confirm-before-write, cross-tenant refusal harness.

SECURITY

Production controls

OIDC, RBAC, audit isolation, AES-GCM tokens, HMAC embed, CSP, DSAR.

COMPLIANCE

5 regions

US CCPA/TCPA · EU GDPR · Africa POPIA · Asia PDPA — pack-level.

SPEED

First to market

30-day cutover onto your OIDC, wallet, models, Azure hostname.

02 Commercial ask

Annual platform license: \$200,000 / year — marketplace + all 500 agents.

Monthly retainer (4 FTE): \$30,000 — 2× ops/onboarding + 2× eng (integrations + agent factory).

End customers: agents free · token top-ups 20% Move Digital / 80% MyInstantAI.

Demo 6 = UAT shortlist only — commercial scope is the full catalogue.

03 What we need from you

- ☐ Commercial signatory on \$200k / \$30k / rev-share terms
- ☐ Staging OIDC + wallet API + model gateway
- ☐ Azure owner + target hostname
- ☐ WhatsApp BSP ownership clarity
